Union No.28 Retirees Club
195 Mineola Boulevard, Mineola, New York 11501**

Dear Brothers and Sisters,

With the realization that there are many retirees who do not know that there is a Local Union #28 Retirees Club, and with the changes that have impacted on the Retiree group in general, we, the Officers of the Metropolitan Local Union #28 Retirees Club, in an honest effort to enroll all former Local #28 members who have retired, are sending you this invitation to do just that, to join Metropolitan Local #28's Retirement Club.

If you're asking yourself about now, "Why?", let me answer that. Perhaps first and foremost we have and dispense all kinds of information, all over the country that pertains to the retiree, his family, his benefits, and his entitlements. We have a monthly newsletter that we send to all our members informing them of our schedule of activities and events. We are currently on line, and have a link to the Local's web site. We field questions, both general and personal, relating to Social Security, Medicare, SMW+, dental plans, optical plans, and legal entitlements. We have a Confidential Family Portfolio Record File made available to our members. We are dedicated to the principle of making one of the best benefits of being a union member, retirement, just a little bit better, and a little bit more complete. We want all our retired members back in the fold, regardless of where you're living, or what you're doing. We offer you the opportunity to stay in touch with the organization, and people, with whom you spent much, if not most, of your working career. Wouldn't you like to know what's happening with them, and don't you think that they would like to know what's happening with you?

We realize that with commitments, and because of varied geography, not all our members can attend meetings. Most members do not attend our meetings regularly. But they do want to stay in touch, and they do want the information that is available through our organization. To put it in the words of that Selective Service Recruiter, "We want you". The cost of our annual membership is \$20, and considering what we offer, the figure is quite reasonable. The benefits that we offer are numerous, perhaps too many for just one letter of invitation to join. And because of the expense that is associated with this kind of letter of invitation, we may not be able to do it again. So, perhaps for the last time, and final opportunity, join us.

Fraternally,

Rudy Schnell, President
