Be sure to mark the proper start date of your respective week on your calendar at home and inform your contractor or foreman. **This is your responsibility!!** This Spring Term has class weeks starting on **Thursdays** with the exception of the Pre- Apprentices classes. **Be sure to verify with the schedule calendar and the mailed-out class assignments for your class week and which day you actually start!!** You now have three (3) means of knowing your schedule; the mailed out schedule before the term starts, on the Local 28 website's Apprentices School web page and also you can still call the school in order to verify. No more excuses for not knowing when your school week starts!!

NOTICE!!! APPRENTICE TUITION DUE DATES!!! NOTICE!!!

Tuition is due on or before the start of the new Term, **not the first day of your scheduled class week!!**
Term start date is not the same as actual class schedule start date!! **

Spring Term start date is February 1st each year.

Fall Term start date is August 1st each year.

** **Actual class start date** depends on how many weeks are required for the amount of apprentices and the holiday schedule for that term. **If Tuition Payment is not received by the Term Start Date, you will be put on official Suspension and your employer will be contacted and you will be unable to work!!** **
