##### ***Retail Pharmacy***

Go to your local pharmacy and present your doctor's prescription and your ID card to the pharmacist. Connecting with Specialized Pharmacy Solutions' computers, your pharmacist checks eligibility, co-payments, and drug safety—such as drug-to-drug interactions and inappropriate usage. Your transaction is processed within seconds. After the prescription is approved, the pharmacist fills your request and collects your copay. Specialized Pharmacy Solutions contracts with chain and independent pharmacies nationwide. If you would like more information, call (888) 272-1401 or go to the pharmacy locator at [www.specializedpharmacysolutions.com](http://www.specializedpharmacysolutions.com)
